MESSAGE FROM OUR FOUNDERS

H&P
FOUNDATION

We hope this message finds you in good health and high spirits. We wanted to take a moment to reflect on the incredible journey we've embarked on and express our heartfelt gratitude to each and every one of you who has played a part in our mission to transform education.

When we founded H&P Foundation 2 years ago, we had a vision of a world where every child, regardless of their background or circumstances, would have access to a quality education. Today, as we look back on our accomplishments and forward to the future, we are overwhelmed with pride at what we have achieved together.

Over the years, we have worked tirelessly to break down barriers, challenge the status quo, and create opportunities for students who would otherwise have been left behind. We've witnessed young minds flourish, dreams come true, and communities empowered through education. It is a testament to the unwavering dedication and passion of our entire H&P family – our volunteers, donors, and partners.

But, let us not forget that there is still much work to be done. The challenges facing the education sector continue to evolve. Our commitment to our mission remains resolute, and our determination to make a lasting impact in the lives of underprivileged children is as strong as ever.

We invite you on this journey of advocating for equitable education opportunities for the underprivileged. It is through our collective efforts that we can truly make a difference in the lives of those we serve.

As we move forward, we want to express our gratitude once more for your unwavering support. Together, we can continue to inspire, empower, and transform the lives of the next generation.

Thank you for being a part of the H&P family and for believing in our mission. With your continued support, we are confident that we can achieve even greater heights in the years to come.

Harrison Mbori & Purity Maritim
Founders, H&P Foundation

ABOUT US

Our Mission

To identify, nurture, and promote the all-round education and literary needs of underprivileged children (poor, socially marginalized, orphaned but with great academic potential) in Kenya.

Our Vision

To wholistically: financially, socially, emotionally, and mentally cater to the full education needs of underprivileged (poor, socially marginalized, orphaned but with great academic potential) children in Kenya.

The idea of the H&P Foundation was birthed in recurrent discussions on how individuals in Africa who were born in underprivileged and impoverished backgrounds could escape the sometimes inevitable cycle of poverty. It is within this framework that we expressed our desire to give back to society. In these discussions, we realized how much education can change the trajectory of one's life, especially for those who have great academic potential but lack the opportunity and supportive environment to realize their potential.

Having been beneficiaries of scholarship programs that enabled us to acquire high-quality education in arguably some of the best schools in Kenya and the world, we crafted the idea of starting a foundation with the aim of changing the lives of marginalized children in Kenya through supporting their full education needs. But beyond just paying school fees and boarding needs of the students our vision is to expose as many children as possible to learning opportunities that would not be easily acquired within the walls of the current Kenyan classroom.

Driven by the desire to see change, we decided to start somewhere, and in 2021, we put up a call for applications for the first H&P Scholars, targeting students who had sat for the 2020 Kenya Certificate of Primary Education (KCPE) national examination. Our call for applications received about 100 deserving applications in only 10 days, which was an indication that there was a huge gap and a need for scholarships. We were only able to fully support two students due to financial constraints, but this became the start of our journey to support many more in the years to come. We are extremely grateful to the friends who have supported us, especially in our infancy.

OUR STORY

H&P
FOUNDATION

MEET THE SCHOLARS

Ibrahim Masira

2021 Scholar

I am a former mathematics contest winner and mathematics club leader. I am an aspiring architect. My hobbies include: playing football, reading, peer teaching and involving myself in group work.

Monica Yvonne

2021 Scholar

I aspire to become a doctor specializing in contagious diseases because most of these diseases are the leading cause of death and morbidity in the country. My hobbies are reading, playing volleyball, singing and drawing.

Ashley Arasa

2022 Scholar

I have big dreams and aspirations that sometimes I feel like I am being over-ambitious. I can say I am a girl driven by her goal. My goal is to finish High school and go to the University of Harvard where I would do a course in Medicine and Entrepreneurship.

Brightton Mwita

2022 Scholar

I aspire to become a software engineer and at school I am working beyond my comfort zone to fulfill my dream. My hobbies are playing lawn tennis, making friends, swimming and reading novels.

2023 UPDATES

The year 2023 has been marked by remarkable achievements and fruitful endeavors for our foundation. We are delighted to share that we've achieved a significant milestone: **the successful registration of our foundation in Kenya**. This accomplishment grants us the authority to conduct transactions in the foundation's name, opening the door to a world of exciting opportunities for us to establish new partnerships and propel our mission forward with even greater momentum.

In addition to this milestone, we take immense pride in announcing that we are now providing **support to four scholars**. Notably, the first group is about to embark on their final year of high school in 2024, representing a pivotal step in our unwavering commitment to offering educational opportunities and support. These students are on the cusp of becoming the first cohort to receive comprehensive support throughout their high school journey. Their impressive academic performance has been a source of inspiration, and we eagerly anticipate their transition to university, further underscoring the impact of our work.

As we continue to expand our reach and impact, we are also in the process of **developing a dedicated website**. Our team is diligently working to ensure that this online platform will be fully operational before the year's end. It will serve as a valuable hub for information, updates, and a wealth of resources pertaining to our mission and initiatives.

We are equally excited about our **presence on social media platforms**, specifically LinkedIn and Instagram. These platforms provide a dynamic space for us to connect with our valued supporters and partners. We wholeheartedly invite you to follow us on these platforms to stay informed about the latest news, updates, and opportunities to engage with our mission.

Your support has been instrumental in our progress, and we extend our gratitude to you. We eagerly anticipate the journey ahead and look forward to making a meaningful impact together.

2024 FINANCIAL OUTLOOK

H&P
FOUNDATION

| | | | 2024 Academic Year (Jan - Dec 2024) | 2024 Academic Year (Jan - Dec 2024) |
|-----------------------|----------------|--|--|--|
| | No of students | | 4 | 6 |
| Scholar's expenses | Unit Cost | Description | | |
| School fees | 54,000 | Full year at national school | 216,000 | 324,000 |
| Books | 6,000 | Reading List books + extra curriculars | 24,000 | 36,000 |
| Shopping | 45,000 | Apprx. 15,000 per term (3 terms) | 180,000 | 270,000 |
| Transport | 18,000 | Apprx. 6,000 per term (3 terms) | 72,000 | 108,000 |
| Pocket Money | 12,000 | 4,000 per term (3 terms) | 48,000 | 72,000 |
| Miscellaneous | 9,000 | 3,000 per term (3 terms) | 36,000 | 54,000 |
| New Students - Form 1 | 150,000 | Cost for onboarding at high school | | 300,000 |
| TOTAL | 294,000 | | 576,000 | 1,164,000 |

This financial outlook outlines the educational needs for our scholars in 2024, denominated in Kenyan Shillings (KES). The total amount of 576,000 KES is earmarked for the educational requirements of our current four scholars. However, we're excited to announce our intention to extend our support by seeking sponsors for two additional students in the upcoming year. In doing so, the total amount necessary to cover the basic educational needs will increase to 1,164,000 KES or approximately USD 10,000. Please note that this figure does not encompass additional activities such as computer classes and internships.

At present, we've achieved 1% of our 2024 fundraising goal. To meet our financial targets and ensure that all payments are made promptly, allowing us to shift our focus to enriching extra-curricular activities and fundraising for 2025, we need to raise the remaining \$10,000 by February 2024. While we've made significant progress at 1%, we hold strong confidence that, with your continued support, we can reach our 100% goal by February 2024. Together, we can make a substantial impact in the lives of these scholars.

MEET THE TEAM

Dr. Harrison Mbori

Executive Director

Harrison provides visionary leadership and is responsible for overseeing the overall operations and strategic direction of the Foundation

Purity Maritim

Program Director

Purity leads the planning and development of specific programs including resourcing, budgeting, reporting, and engagement.

Minna Mumma

Partnership Director

Minna is responsible for driving and nurturing partnerships, alliances, and collaborations with diverse entities, that catalyse the objectives of the Foundation.

Emmanuel Mulili

Scholars' Support Director

Emmanuel acts as the main liaison between the scholars and the Foundation, offering critical and urgent guidance and support to the scholars.

Brenda Cheptoo

Education Director

Brenda plays a crucial role in managing our programs and administrative activities that support the foundation's goals of enhancing and promoting education.

OUR PROGRAMS

Education Scholarships

Our education scholarships are a financial aid initiative designed to provide financial support to students pursuing their secondary school education. The financial support covers all the financial needs and requirements of the students for the duration of their secondary school education. This includes school fees, boarding needs (shopping each term for boarding necessities e.g soap), pocket money, school supplies, transport to and from school, cost of books, and costs of participation in extra-curricular activities where required. The primary goal of the education scholarship program is to meet all the financial needs related to education, thereby allowing them to focus on their schooling.

Education Advocacy

Our education advocacy program is dedicated to ensuring that students have equitable access to quality education by addressing disparities in educational access, resources, and outcomes. We do this through policy engagement, public awareness, legal advocacy and litigation, research and analysis, and administrative engagement. The primary goal of our education advocacy is to address inequalities the education system, advocate for positive changes in education, and promote equity and access.

Extra-curriculars

Our extra-curriculars program is geared at providing students with opportunities that would otherwise not be provided within the regular school setting. The primary goal of the program is to develop new skills, promote personal growth and foster qualities that will enable the students to advance and excel in their post-secondary schooling. Some of the activities offered under this program include reading assignments, internships, and skills development classes such as computer classes. If you are interested in sponsoring an extra-curricular activity, contact us to explore the possibilities of doing so.

H&P FOUNDATION

LET'S WORK TOGETHER

By joining forces with us, you can make a real difference in the lives of these students, enabling them to reach their full potential. Together, we can provide access to education, nurture talent, and build a brighter future.

Let's come together to inspire, educate, and transform the next generation. Partner with us today to create a lasting impact.
